

Photonics Summer School 2019

at The Hong Kong Polytechnic University (PolyU)

Organizer: PolyU's Photonics Research Center

Partners: 1) School of Optical Science and Engineering, Zhejiang University (ZJU)
 2) School of Optical and Electronic Information, Huazhong University of Science and Technology (HUST)
 3) Department of Electronic Engineering, Shanghai Jiao Tong University (SJTU)

Venue: PolyU Campus

Date: July 15 ~ 19, 2019

Tentative schedule:

	<i>Lecture @ Room CD634 (09:30 ~ 10:30am)</i>	<i>Lab Tour (11:00am ~ 12:00noon)</i>	<i>Free Open Discussions (2:00 ~ 5:30pm)</i>
Monday 15/07/2019	Welcome speeches by Prof. P.K. Alex Wai (VPRD) and Prof. Hwa-Yaw Tam <hr/> Dr. Changyuan Yu <i>"Physical layer of optical fiber communication and sensor systems"</i>	Fiber Optics Lab; Optical Fiber Communication Lab; <i>Guided lab tour Guided lab tour</i>	Fiber Optics Lab; Optical Fiber Communication Lab; <i>Open discussions including consultation on postgraduate study</i>
Tuesday 16/07/2019	Prof. Wei Jin <i>"Microstructured optical fiber devices and sensors"</i>	Optical Fiber Sensor Lab <i>Guided lab tour</i>	Optical Fiber Sensor Lab <i>Open discussions including consultation on postgraduate study</i>
Wednesday 17/07/2019	Prof. Chao Lu <i>"Optical fiber communication and sensor systems"</i>	Specialty Optical Fiber Lab; Smart Railway Lab <i>Guided lab tour</i>	Specialty Optical Fiber Lab; Smart Railway Lab <i>Open discussions including consultation on postgraduate study</i>
Thursday 18/07/2019	Dr. A. Ping Zhang <i>"Versatile optical microfabrication technologies for photonic devices and sensors"</i>	Optical Microfabrication Lab <i>Guided lab tour</i>	Optical Microfabrication Lab <i>Open discussions including consultation on postgraduate study</i>
Friday 19/07/2019	<i>City tour & cultural activities</i>		
(6:00 ~ 8:00pm)	<i>Farewell Party; Issue Certificates @ Room CD634</i>
